CHAPTER**

The Oakland County Fair was founded by the Milford Agricultural Society in the 1880's. It has been an annual event since 1945. The role of the Fair has changed. It remains a source of community, but now also serves as an educational opportunity, a connection with agriculture and family friendly entertainment.

Sara Ressler is responsible for handling marketing and finances for the Fair, a 501(c)(3) organization.

**Join us on June 16 to hear Sara explain her role in supporting the mission of the fair "to provide a public educational showcase of our youth through hands-on experience with exhibits, demonstrations and presentations as young people develop life skills in a family atmosphere." Learn how COVID impacts 2020 Fair events.**

**Our evening begins with a welcome / introduction of members and guests, followed by the program and a short business meeting.**
