"I help accomplished professionals become influential, sought-after leaders without overworking, people-pleasing, or selling their souls!" - Asia

Keynote: Asia Bribiesca-Hedin

Creating Confidence when You're the "first" or "only" in the Room

When you feel out of your comfort zone, don't waste time and energy on self-doubt by second guessing, playing small or faking it. Learn techniques for confidence building:

- Simple formula for making strategic decisions
- How to tap into your natural resilience
- Single question to ask yourself and your teams when self-doubt or uncertainty are wreaking havoc
