Greater Oakland Charter Chapter

Join the Greater Oakland Charter Chapter of ABWA on Tuesday, June 25 for networking followed by a presentation by Dr. April Murdaugh, CEO and founder of Women to Women Financial.

Dr. April Murdaugh, founded Woman to Woman Financial, a virtual fee-based wealth management firm based in Jacksonville, Florida. Her practice helps women executives, business owners, medical professionals and their families create and grow generational wealth. As a fiduciary, she dedicates her time assisting her clients with budgeting, debt-elimination, investing, tax planning, retirement planning, risk management and legacy planning.

She is extremely passionate about financial literacy for all, as her experiences with homelessness, becoming a widow, and later divorced, propelled her to learn how to manage her finances and to share her knowledge with others. She has taught financial education programs in churches, libraries and private organizations in both South Carolina and Florida, and continues to do so.

She is a single mom of four wonderful adult children. In her spare time, she enjoys reading, music, running, kayaking and hiking.

This is a Hybrid Meeting. If you attend in person, you will order your dinner and are responsible for the cost, including drinks. Cost to attend virtually (using Zoom) is free.
